

The America Project

A Teaching Method for
Collaboration
Creativity
and
Citizenship

Tumblr

Online contribution guidelines

What is Tumblr?

Tumblr is an online tool which allows people who use The America Project method to share their experiences of doing this kind of work.

How does it work?

Tumblr uses a very simple email-based system to allow you to contribute ideas, images, video and audio. Use the email address in this pdf to contribute to our tumblr.

What do I do once I have sent my email to tumblr?

Once you have sent your email, go to :
<http://theamericaproject.tumblr.com/>
to see your and others' ideas and feedback about the teaching method and The America Project.

The America Project

Tumblr Online Contribution Guidelines

To

In the "To" field enter the email address:
84geegat@tumblr.com

Subject

Add a short title for your contribution in the subject line area. To make sure your contribution is formatted correctly on The America Project tumblr site, at the end of the subject line, enter the characters: !m

Attachments (optional)

You can add images to your contribution by using the attachment function in your email. The images should be in jpg or gif format.

Contribution

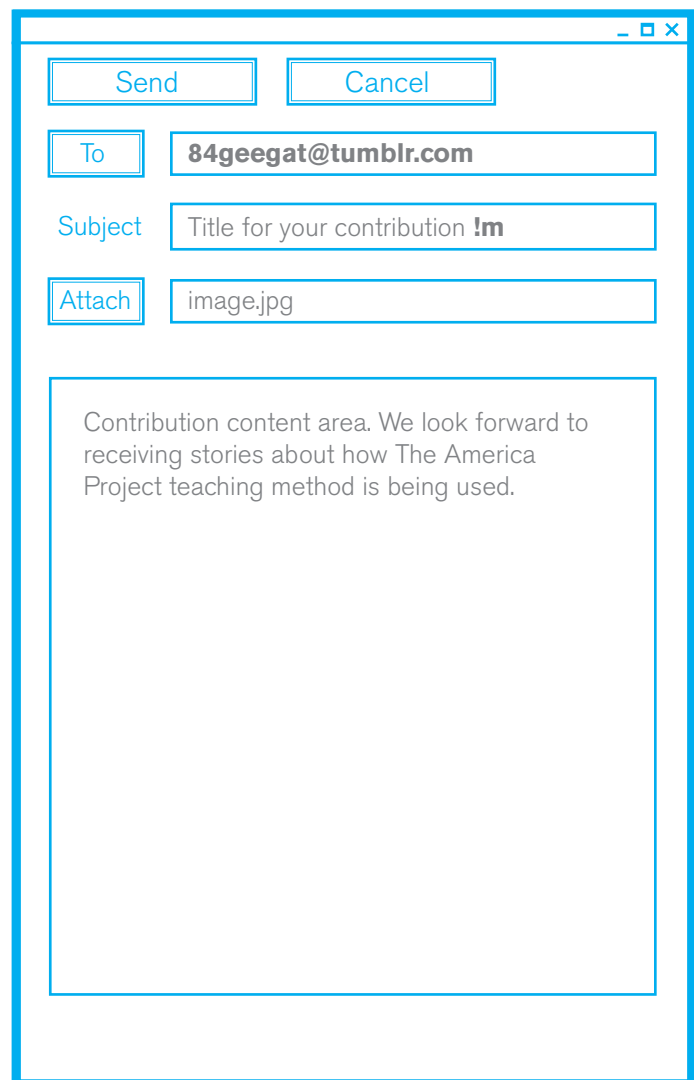

Enter the text of your contribution in the main email area. 400 words or less is the best length per contribution.

Spell check & Send

Please spell check and proofread your contribution before sending as you will not be able to correct it once it is sent. Press the send key to publish your contribution.

Now visit :

<http://theamericaproject.tumblr.com/>

The screenshot shows an email composition window with the following fields and content:
